Dear Mr. R, Thank you for making the hike. I had fun seeing all of the beautiful scenery and getting to be in the mountains. You would have loved it, My two quiz questions would be "who started the forest service", and "when was the great burn?". Once again thank you!

Dear Mr. Hiles,

I am Brayden E and I am 13^(almost 14) years old. I live in Albuquerque & Tijeras. I usually hike somewhere near ZUZAX.

I had fun on the hike, because I got to see the city, which was phenomenal. Thank you for showing everyone the Gaia GPS App. I learned where the Crest was, the geology, and much more.

For the Quiz for the 8th Grade Advisories, I would add, "What is the elevation of the Crest? Estimate to the nearest thousand."

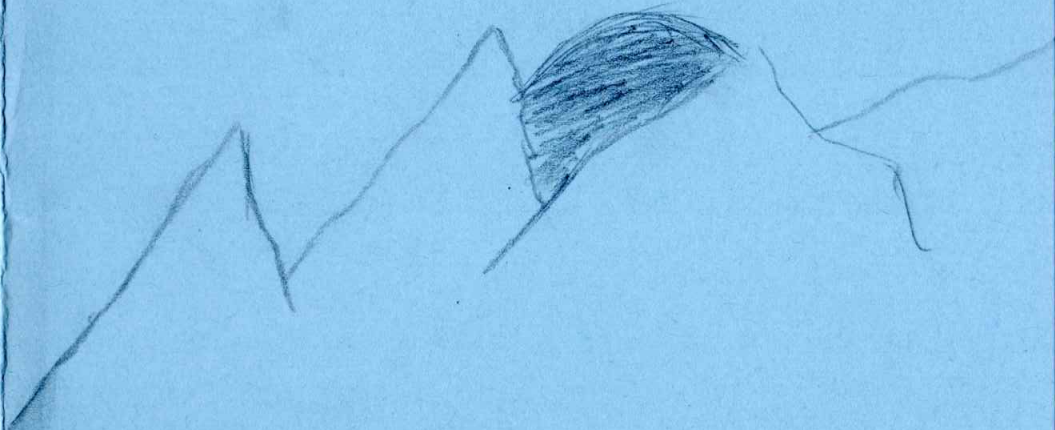

I would like to visit the Crest again with family and friends, and do more hikes! Thank you for coming and helping us!

-Sincerely,
Brayden E

Dear Mrs Cassidy,
This is Shanti: (Aili's friend) and
I wanted to thank you for taking
us on the fieldtrip. I've been hiking
there before, but it was horrible because
we always get lost and I hate hiking,
but this one wasn't as bad.

Thank you for supporting all my
great plans like turning into a
Bear and running away.

I also appreciate you taking us
back early because we really
wanted to go back. (I hate
hiking)
