Report of Completion of Construction of the Kiwanis Meadow Buck and Rail Fence, Wednesday, June 11, 2025

Sam Beard and Joelle Hertel

On Wednesday, June 11, FOSM volunteers, the TTYL/YCC (Talking Talons Youth Leadership/Youth Conservation Corps) crew, and a USFS intern completed the installation of the buck and rail fence at two locations on Kiwanis Meadow. Sam Beard's crew worked on the north end of the meadow along the road to Kiwanis Cabin, Dan Benton's crew worked on the high side of the south end of the meadow, and Aidan Stewart's crew worked on the low side of the fence on the south end of the meadow. Each crew constructed approximately a dozen 11-foot-long sections of the fence. Fence materials had been purchased by FOSM from a company in Longmont, Colorado.

Project photos are presented below. They include the names of the workers who participated in the project on Wednesday.

Joelle Hertel explaining the building of the fence to FOSM members. L to R: Don Carnicom, Sam Beard, Betsy Galloway, Dan Benton, Laura Leon, and Joelle Hertel. All photos by Cliff Giles unless noted otherwise

The TTYL/YCC crew and FOSM members who completed the fence on Wednesday. Front Row – Joelle Hertel, Kaitlan Velarde (USFS Intern), Jamie Medina-Soto, Eli Iwanczyk, Rebecca Duggar, Lila Eaton and Laura Leon. Back Row – Aidan Stewart (crew leader), Hans Martin, Evan Cooney-Martin, Jerry Carroll, Sam Beard, Don Carnicom, Betsy Galloway, Dan Benton.
