**Subject:** [Ctr\_members] UPDATED TRAIL TREES REPORT 05-03-26  
**Date:** May 3, 2026 at 1:32 PM  
**To:** ctr\_members@mailman.swcp.com

Cibola Trail Rangers

Please see update Trail Tree report. If there are additions, corrections, etc., please advise.

I have heard that Challenge Trail is clear from end to end, but there were no reports sent to advise of the trees that are still showing on the report.

The FOSM MONDAY CREW is hiking Challenge from Capulin to it's end on May 4, 2026.

Happy Hiking!

Sally Lowder
